When travelling on a domestic electronic ticket it is a requirement that you carry a valid passport or approved photo identification at all times.
It is **essential** that the name on your ticket matches exactly the name as shown on your travel document. Check with your carrier for further information.

24/7 Emergency Service

Outside the regular opening hours (Serviceteam available from Mo - Fr 08:00 - 18:00) incoming calls are forwarded to a chargeable service hotline (24/7 Service). Each call will be charged with 30,00 € plus VAT.

The 24/7 Service hotline is provided for emergency requirements or short term demands out of the regular opening hours.

Transport Regulations

The terms and conditions of the given airline or service provider apply. Should supplementary fees be charged by the airline or service provider, these will be passed on to you. The terms of the ticket apply from the day of issue as does the guarantee of the conditions. The legs of the journey must be flown in the order in which they are booked.

Please ensure that unwanted reservations are cancelled in good time as late cancellation or no show may incur supplementary charges. In the case of a no show a refund of the ticket price cannot be guaranteed, depending on the ticket type. The airline is not responsible for connecting flights booked on separate tickets.

It might be possible that certain airlines charge additional fees at the check in counter - we recommend to check in online one day prior to departure. Furthermore please note that certain carriers don't check through any luggage.
